November 2025

REMINDERS

Our remembrance service held at 11am on the 11 of November, has a poignant moment within it when the children sit beautifully in respectful silence looking at our candles of remembrance. Year 4 read out names of people from the Parish who helped to keep us safe and our school community continue to do our part in remembering them. We also had a number of our children taking part in other services through cubs, beavers and brownies as well. In the week of remembrance children also engage in crafts to make Poppy based decorations to decorate the school and we had a new poppy flag to fly.

Lest we forget.

As part of their 'people who help us' topic Miss Wilde organised a visit from the Fire service for her reception class. It was super exciting to have a real fire truck in the grounds and then to top it all the children got to spray the hoses. Thanks to our wonderful emergency services for supporting our children's learning.

Miss Bridge organised another cracking 'children in need' day. Great to see the children all dressed up in their cosy sleep wear and we raised an amazing £350. Thank you all for your support.

Our school's main chosen charity this year is 'toilet twinning'. It is a fun way of linking our access to clean, safe toileting spaces with children around the world who may not have that privilege. We celebrated 'world toilet day' on the 19th of November and we will be

Considerate parking

Our community appreciates it when our parents park considerately, rather than on grass verges, across driveways, in bus stops or in the staff carpark. Thank you.

School Books

Please return any school books especially our reading scheme books so that other children can use them.

raising money over the year to twin our school toilets with toilets that the charity improves around the world

Christmas has started at Puddletown!

We started the first day of December with our beautiful advent reflection day. Mrs Flux organised some wonderful crafts that the children made as they moved around in the whole school house groups to learn about and reflect on the meaning of advent and the Christmas story.

Rehearsals are well underway for our first key stage 1 led Nativity and I am so impressed at the confidence and enthusiasm the young children are showing. The whole school is immersed in the songs and we are all really looking forward to showing it to you.
